The main building is a large, multi-story structure made of light-colored stone blocks. It features a prominent corner with three levels of arched windows, each containing two smaller arched openings. The roofline is crenellated. To the right, a taller section of the building is visible, featuring a balcony with a decorative railing and a large, ornate sculpture on the wall. The building is surrounded by a paved courtyard.

In the background, there are green hills under a cloudy sky. The hills are covered in dense vegetation, and the sky is overcast.

A group of people is walking in the courtyard. On the left, a man in a white t-shirt and a woman in a red jacket are walking. In the center, a man in a white shirt and a woman in a yellow jacket are talking. On the right, a man in a white shirt is walking towards a set of stairs.
